The R.C. has represented in a letter recently rec'd that the ... has given a sum of Rs 20 only to the D.C. Zunkur out of a provision of Rs 3500 in the budget of 24-25. There is enough money available to meet this charge owing to Rs 3300

A draft letter informing the R.C. that the expenditure may be met out of the provision for V.D. works in the current year's budget is put for approval.

To

Sir,

I have the honour to forward herewith copy of letter No.).C.1840/22-23 dated 5th July 1924 received from the Deputy Commissioner of Tumkur District stating that the starting of the

1. Hoskere - Ittikedibbanahalli,)

marginally noted cart-tracks is very necessary to provide labour for the cooly classes, that he has requested the Executive Engineer to start these works immediately and requesting that permission may be given for utilising the unspent balance of Rs.10,000/- allotted to the District under this head towards the cost of the works. In Government Order No.478-82/D. dated 4th February 1924, the cost of these works Rs.3,900 was ordered to be met out of the one lakh of rupees sanctioned in Government Order dated 22nd November 1923 for tank maintenance and Village Improvement works.

In the circumstances, I request that sanction of Government may be obtained for meeting the cost of the cart-tracks from out of the unutilised balance of the amount referred to by the Deputy Commissioner.

I have the honour to be,
Sir,
Your most obedient servant,

Copy of the letter No. O.C.1840 of 22-23 dated the 5th July 1924 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to your letter No. D.26/23-24 dated 23rd June 1924 stating that the cost of the marginally noted

1. Hosakere - Ittigedibbanahalli, 2. Maddagiri - -do-

cart tracks in the Maddagiri Taluk may be met out of the allotment granted to this District for taking up Village Improvement Works &c., I have the honour to state that the expenditure incurred up to 26th June 1924 for Village Improvement works is only -- Rs.805/-. The information re. the expenditure incurred during the remaining part of the month June 1924 has not yet been furnished by the Amildars. The starting of the cart tracks referred to above is very necessary, and I have requested the Executive Engineer, Tumkur Division, to start these works immediately. The allotment of Rs.10,000 granted to the District under this head has all been fully distributed among the various Amildars, who have been asked to furnish information re. amount spent by each up to end of June 1924. I request that permission may kindly be granted for utilising the unspent balance out of Rs.10,000 under the above head, for expenditure during the year 1924-1925 for the same purpose. If the unspent balance of last year is permitted to be operated upon, I think I do not require any fresh allotment for Village Improvement Works for the present. I request the favour of an early reply in the matter.
